OPPORTUNITIES THROUGH SUNY

STUDY ABROAD IT’S EASIER THAN YOU THINK!

Binghamton has designed study abroad programs that offer coursework which complement many of our students’ majors, but we recognize that we can’t be in all countries or meet all the study abroad interests of students. Here are a selection of programs that may be of interest to Binghamton students offered through the SUNY campuses.

PROGRAMS THROUGH BINGHAMTON

Lancaster University
Lancaster University is one of England’s principal universities, offering a rich selection of courses in arts, social sciences, sciences, and pre-professional fields.

University of Nottingham
Situated in the heart of England, 120 miles north of London, students enroll directly into regular university classes in a variety of fields.

University of Edinburgh
Edinburgh, founded in 1583, is one of the most prestigious universities in the UK, with an international reputation. Students directly enroll in regular university courses.

University of Bath
Founded in 1966, Bath is one of the United Kingdom’s most highly rated universities and the research conducted on-campus is internationally recognized.

University of East Anglia
UEA is an excellent location for exchange and study abroad for students interested in the humanities and social sciences, biology, biochemistry, chemistry, and environmental studies.

Semester in London
This spring semester program emphasizes the culture, literature, drama, history, and art of the UK. Organized weekend excursions and evenings at the London Theatre are integral to the program.

London School of Economics and Political Science
Students enroll in the academic year program called the General Course at internationally renowned LSE. Students are fully integrated in regular LSE courses and student life.
